We are the Cherokees:

We are the Cherokees
We are the Cherokees
We are the Cherokees
We are the Cherokees.

We call it fun but you might call it madness
Stay here with us and you'll forget your
sadness
In the spirit of truth and the light of our
youth
And when we are gone, you'll remember our
song...

We are the Cherokees
We are the Cherokees
We are the Cherokees
We are the Cherokees

**Cherokees, We're the Cherokees (to "The
Flinstones" tune)**

Cherokees, We're the Cherokees,
We're the hottest girls at Camp Crestridge.
No Steps to our village
Don't you wish that you could cross our
bridge.

We stand for the truth and we wear blue
And we get to do things with the Sioux.
(Woo)
Cherokees, We're the Cherokees
And someday you all will be one
You all will be one
And you'll have real fun...the mighty
Cherokees.

I'm a Little Cherokee:

I'm a little Cherokee.
Nobody knows what to do with me.
I've got two legs and a big ole mouth.
Here I stand and here I shout.

Mulan Song:

Here at Camp Crestridge, we defeat the
Sioux.
We are the best village that you ever knew!
We're the hottest bunch you'll ever meet,
And you can bet before we're through-
Somehow we'll make a Cherokee out of
you.

Cherokee...
 We dominate at the two-square
court.
Cherokee...
 (Village Director Name) has us work
the store.
Cherokee...
 We're the ones all the Chips admire.
Cherokee...
 And we hike and build raging fires.
Someday your honor band will be blue!
Somehow we'll make a Cherokee out of
you!

Tik Tok: Cherokee Style

Wake up in the morning feelin like a
Cherokee
I got my blue, I know the Sioux, I work the
store for Debbye
Before I leave, brush my teeth, and put on
my pack
Cause when I walk across that bridge I ain't
comin back.

I'm talkin chacos on my toes, toes
Nike shorts are my clothes, clothes
We don't got our phones, phones
1-2-3 (clap 3x)

We're gettin stocked for CP
Wear our white and green, green
Tryin to get Belle readdyyyy

Tap outs are tonight
Campers build those fires up
Tonight gonna hike till we see the sunrise
Cherokees, number one!

And we have the most fun
oo-oo-oo-oh
oo-oo-oo-oh

One Direction:

We work the store, don't know what for
We get tapped out when they walk through
the door
Don't need the Sioux, you know it's true.
We stand for truth, rocking blue, chacos too.

Everyone else in camp can see it. Everyone
else and you.
Baby we light up our fires like nobody else.
How many hairwraps we give gets us
overwhelmed.
You can always find us hanging with
(Village Director Name)
All of that, that's what makes us Cherokees.
