### **Choctaw Girl:**

Hey, where did we go  
Days when the Choctaws came  
Down about 100 steps  
Araps callin' our name.  
Laughin' and a singin', hey hey,  
Tubin' and a blobbin'.  
In the misty mornin' fog (ahhhh)  
We hear Marva callin' "Hey - get out of  
bed!"  
Sha la la, la la la la  
La la, la la tee da  
Our staff's the bomb  
Sha la la, la la la la  
La la, la la tee da  
You wish you were, a Choctaw girl.

**Proud to Be a Choctaw:**

Verse 1:

And I'm proud to be a Choctaw where we  
all went tubing.  
And the water wasn't very cold and goats  
cost 35 bucks  
Then we ate some pizza and rode a bus,  
singing all the way...  
Cause there ain't no doubt I love this camp!  
God bless the Choctaw hill!

Verse 2:

And I'm proud to be a Choctaw and sleep  
outside at night.  
Our packet meals were so delish, I ate up  
every bite.  
And we hiked that mountain in record time  
and didn't see a bear (frown)  
'cause there ain't no doubt (Village Director  
Name) is great!  
God bless the Choctaw hill!

Verse 3:

And I'm proud to be a Choctaw where I can  
be crazy.  
And I won't forget the Arapaho who wrote  
that note to me  
And I'll proudly climb up every stair until I  
reach my bunk...  
Cause there ain't no doubt I love this staff!  
God bless the Choctaw hill!

Verse 4:

And I'm proud to be a Choctaw where we  
get to go skating.

Even though it's the middle of the night and  
our counselors want to sleep  
And I'll skate around all those boys and  
won't give them two looks...  
Cause there ain't no doubt I love this camp!  
God bless the Choctaw hill!

**Man, I Feel Like A Choctaw:**

Man, I feel like a Choctaw (do do do do do  
do do)

We're going out tonight, feeling alright  
Going to the Nibble Nook  
Tubin' and a skatin'  
Arapaho a waitin'  
Over at the boys's camp

The best thing about being a Choctaw  
Is the perogative to have a little fun (fun  
fun)

Woah-oh-oh we're totally crazy  
We're (VD)'s babies  
Climbin the stairs, straightening our hair  
Woah-oh-oh you know you wanna feel the  
way I feel  
Man, I feel like a Choctaw

**I Love It When You Call Me a Choctaw:**

I love it when you call me a Choctaw  
(Village Director Name) is our VDma  
We're the best and you know it  
Clap your hands, we got to show it  
Get up off your feet and give that beat it  
goes  
(everyone stand on their chairs and does the  
stomp/clap)

**Choctaw, Choctaw, Choctaw:**

You know you love us,  
You know Ron cares,  
Just shout up our hill-  
And we'll be there  
Camp is our love  
Camp is our heart  
Me and my Araps will always be apart  
Are we Cherokees?  
Girl quit playin'  
Do we straighten hair?  
What are you saying?  
And (Village Director Name) will look right  
in our eyes.  
I got my brown honor band for the first time.

And I was like,  
Choctaws, Choctaws, Choctaws, oh! (3x)  
You know we'll always be fine, fine.
